PRICE LIST 1947

GLADHAVEN GARDENS

George G. Fowler, Prop.

North Main Street

Franklin, N. H.

NEW YEAR'S GREETINGS:

To all our old friends and customers and to those who may receive this modest list for the first time, may 1947 be the happiest year you have ever experienced. Please accept our sincere thanks for your patronage in the past and for the many kind letters we have received from you during the past few years. We wish we could meet all of you face to face and extend a friendly hand. We are like the most of you, humble country people who eat breakfast, dinner and supper and no frills. This may be our last season growing glad bulbs to sell as we are now living on "borrowed time". However we expect to grow them for our own enjoyment and to send to our sick friends and the Church as long as we are able. There is nothing better for a cut flower.

Wishes to you all,
MR. AND MRS. GEORGE G. FOWLER.

CONDITIONS

All prices are subject to the following conditions and change without notice.

(a) Any Federal or State tax that may be imposed on sales. (b) Stock on hand when order is received. (c) No bulbs shipped C. O. D. without a deposit of 25% of the order. (d) No minimum lot split and no single item less than 10c. (e) Every order for not less than \$1 will be shipped prepaid to any of the 48 states in U. S. On orders less than \$1 add 10c for postage and packing.

GUARANTEE

I guarantee that the gladiolus bought from me will be true to name and properly cured for planting spring of 1947. Cannot guarantee crop or anything depending on cultivation or weather. References: Franklin National Bank, Dun & Bradstreet.

ABOUT C. O. D. SHIPMENTS

It is not practical to have bulbs mailed C. O. D. for less amounts than \$5.00 as it adds about 5% to the cost of your bulbs. WE DO NOT MAIL Iris Plants C. O. D. WE DO NOT ship C. O. D. unless 25% of the order is sent in cash.

IMPORTANT

Place your name and address on the outside of every letter you write. Print your name and address very plainly on your order, and PLEASE use the order blank we send you and keep a copy of your order. When orders are made out on the price list it is sometimes hard to determine just what is wanted. We do not substitute one variety for another unless requested. If I am out of the size ordered I will fill the order with bulbs of the next nearest size giving as much or greater value. Order Early to avoid substitution. You can expect extras depending on the size of order.

SIZE OF BULBS

LARGE bulbs are 1 1/4 inches in diameter and up; MEDIUM size bulbs are 3/4 to 1 1/4 inches in diameter averaging about 1 inch. Small bulbs are bulbs under 3/4 of an inch in diameter and not less than 1/4 inch. Many of the small bulbs will bloom this summer.

FULL CULTURAL INSTRUCTIONS WITH EVERY ORDER

ORDER EARLY and have bulbs reserved for mailing after danger of frost is over. Orders received after May 10 asking shipment by return mail are often hard to fill, a disappointment to you and ourselves. Without instructions will ship at proper planting time in your locality. A 25% deposit will hold orders till May 1st. Cannot ship to Canada.

GLADHAVEN ASSORTMENT

For those who do not care about names but just want a number of good blooming bulbs and many colors, we recommend this choice mixture. It includes about all known shades and colors in the glad family. To give them a fair trial and get the largest number of colors you should plant at least 100 bulbs. Fifty bulbs planted two weeks apart will give a long season of bloom. Most of the small bulbs will bloom this year. Note these LOW prices:

Large Size
10 for \$.60
50 for 2.50
100 for 4.00

Medium Size
10 for \$.35
50 for 1.50
100 for 2.25

Small Size
25 for \$.40
50 for .70
100 for 1.00

Iris Roots

One Dozen good strong Iris roots all different, all good varieties, none of the old sickly white Florentine or yellow Honoribillis.

Postpaid to 3rd postal zone for only \$1. If you order before April 1st, 1947, will include one extra choice variety worth 25c Free. Please do not ask us to ship Iris roots before June 1st as June is the best time to set them over. Iris Roots will only be shipped within the Jap Beetle Zone.

Gladiolus Bulblets

A grand mixture of most of the best varieties I grow. These bulblets have been screened over a 3/16 inch wire screen removing most of the very small ones, leaving good size clean bulblets. Cannot guarantee the germination of gladiolus bulblets, you take your chances as I do when I plant them to increase my stock of bulbs.

Should be planted very early in the spring and not allowed to become dry before starting growth. Some will make a very small bloom the first year, most of them should produce bulbs that will bloom second year. My very low price is 100 for 20c, 300 for 50c postpaid. Bulblets are not bulbs until grown one season.

HOW TO REMIT

At many Post Offices you can get Postal Notes in amounts up to \$10.00 for 5 cents. Bank checks are cheaper at 10c each for sums over \$10.00. Money orders for any amount are perfectly satisfactory. Make all checks and Money Orders, etc., payable to George G. Fowler.

Loose cash is not safe. Have had it come in unsealed envelopes. If you have to send stamps, 1, 2 and 3-cent ones are best for my use. YOU MAY BUY 5 BULBS AT THE 10 RATE. NO ITEM FOR LESS THAN 10c.

SPECIAL NOTICE

Unpack your bulbs at once as soon as received and store in a cool dry place until ready to plant. DO NOT LET YOUR BULBS FREEZE AT ANY TIME.

BY READING this list carefully you can save a lot of unnecessary correspondence.

Gladhaven Golden Hull-less Pop Corn

Seed saved from choice ears of 1946 crop. 1 ounce packet with cultural directions only 10c postpaid. Plant before June 1st. 130 days from planting to popping if properly dried.

Have a very limited supply of this choice popcorn to sell for seed this year, none for popping. Many stalks will produce two large ears.
